

Leave Policy

Employees at Tyrell Corp are entitled to a comprehensive annual leave package designed to support work-life balance. Each full-time employee receives 21 days of Paid Privilege Leave (PL), 7 days of Sick Leave (SL), and 7 days of Casual Leave (CL) per calendar year, credited on January 1st. Probationary employees accrue leaves on a pro-rata basis at 1.75 PL days per month. Sick leaves can be taken without prior notice, but any SL extending beyond 3 consecutive days requires a valid medical certificate from a registered practitioner. Casual leaves are intended for personal emergencies and cannot be combined with PL. Unused Privilege Leaves can be carried forward to the next calendar year, up to a maximum cap of 45 days. Any PL balance exceeding this cap will be automatically encashed in the January payroll at the employee's basic salary rate. Sick leaves and Casual leaves lapse at the end of the year and cannot be carried forward or encashed. To apply for leaves, employees must submit a request via the HRMS portal (TyrellHR) at least 15 days in advance for PL exceeding 5 days. For shorter PLs or CLs, a 48-hour prior notice to the immediate manager is required. Managers are required to approve or reject leave requests within 48 hours of submission.

Work From Home Policy

Tyrell Corp supports a hybrid work environment, allowing eligible employees to Work From Home (WFH) to enhance productivity and flexibility. All full-time employees who have successfully completed their 90-day probationary period are eligible to apply for up to 8 days of WFH per month. Employees in roles requiring physical presence, such as facility management and front-desk operations, are exempt from this policy. To request WFH, employees must submit an application through the TyrellHR portal at least one week in advance. The immediate reporting manager must approve the request based on team coverage and project requirements. For prolonged WFH due to medical or personal emergencies, approval from the Department Head and HR is mandatory. Tyrell Corp provides a standard WFH equipment kit, which includes a company-issued laptop, a monitor, a wireless keyboard, a mouse, and an ergonomic chair. Employees can claim a one-time setup allowance of \$250 upon permanent confirmation. While working remotely, employees are expected to maintain core working hours (10:00 AM to 4:00 PM EST) for team collaboration and meetings. Employees must ensure a quiet, distraction-free environment with a stable internet connection of at least 50 Mbps. Response times to emails and instant messages during working hours should not exceed one hour, ensuring seamless communication across all distributed teams.

Working Hours and Attendance

The standard working hours at Tyrell Corp are 40 hours per week, Monday through Friday. Our standard office timings are from 9:00 AM to 6:00 PM, which includes a mandatory one-hour unpaid lunch break. Employees are required to log their

attendance daily using the biometric scanners at the office entrance or via the geofenced TyrellHR mobile app when working remotely. Tyrell Corp observes a grace period of 15 minutes for late arrivals. Any arrival after 9:15 AM is marked as a half-day leave unless prior approval is obtained from the reporting manager. Three unapproved late arrivals within a single calendar month will automatically result in the deduction of one Casual Leave or Privilege Leave. For non-exempt employees, overtime compensation is provided for any work exceeding 40 hours in a workweek. Overtime must be pre-approved by the Department Head and is compensated at 1.5 times the standard hourly base rate. Employees assigned to rotational shifts (such as 24/7 customer support or IT infrastructure teams) will receive their shift rosters by the 25th of the preceding month. Shift workers receive a shift differential allowance of 15% added to their base pay for any hours worked between 10:00 PM and 6:00 AM. Shift swapping is permitted but requires manager approval 48 hours in advance.

Salary and Payroll

Tyrell Corp processes payroll on a monthly basis, ensuring all employees are compensated accurately and on time. Salaries are directly credited to the employee's designated bank account on the last working day of every month. If the last working day falls on a weekend or a public holiday, salaries will be disbursed on the preceding business day. An employee's total compensation structure includes several components: Basic Salary (constituting 40% of the gross pay), House Rent Allowance (20%), Special Allowances, and standard deductions. Standard deductions include mandatory tax withholdings based on the employee's declared tax bracket, Provident Fund/Retirement contributions (matching up to 5% of the Basic Salary), and premium deductions for company-sponsored health insurance plans. Any applicable leave without pay (LWP) deductions are calculated based on the number of working days in that specific month and are reflected in the current month's payroll if reported by the 20th, or the subsequent month if reported later. Employees can access, download, and print their monthly payslips, as well as annual tax summaries, securely through the Payroll module in the TyrellHR portal. Discrepancies in payroll must be reported to the central payroll desk within 5 business days of salary credit for immediate resolution in the supplementary payroll run.

Notice Period and Resignation

When an employee decides to terminate their employment with Tyrell Corp, formal resignation must be submitted through the TyrellHR portal to initiate the offboarding process. The standard notice period varies by role and seniority to ensure business continuity. Junior and mid-level employees (Associates, Specialists, and Senior Executives) are required to serve a 30-day notice period. Managerial staff and Department Heads must serve a 60-day notice period, while C-level executives and Vice Presidents are subject to a 90-day notice period. Probationary employees across

all levels have a 15-day notice period. In certain circumstances, the company may offer or accept a notice period buyout. A buyout requires the employee to pay the company their base salary equivalent to the unserved notice days, or the company may waive the notice period and pay the employee in lieu of notice. Buyout approvals are strictly at the discretion of the Department Head and HR Director. During the notice period, the resigning employee must complete a comprehensive handover process. This includes documenting daily workflows, transferring ownership of ongoing projects, returning all company assets (laptops, access cards, corporate credit cards), and training the successor or team members. An exit interview with HR and the completion of the Clearance Form are mandatory before the final settlement is processed, which takes up to 45 days post-exit.

Reimbursements and Expenses

Tyrell Corp reimburses employees for legitimate business-related expenses incurred during the course of their duties. For domestic business travel, employees are entitled to economy-class airfare or AC-tier train tickets, and hotel accommodations up to \$150 per night. International travel allows for premium economy flights for journeys exceeding 8 hours and hotel accommodations up to \$250 per night. A daily per diem of \$50 (domestic) and \$100 (international) is provided to cover food and incidental expenses during travel, which does not require itemized receipts. For client entertainment and business dinners, employees can expense up to \$75 per attendee, provided a business justification is included. Employees may also expense specialized software or minor equipment (under \$100) necessary for their role with prior manager approval. All reimbursement claims must be submitted through the Expensify module on TyrellHR. To ensure compliance and prevent fraud, itemized tax receipts must be uploaded for any single expense exceeding \$25. Credit card summaries are not accepted as valid proof of purchase. Claims must be submitted within 30 days of the expense being incurred. Any claims submitted past the 30-day deadline will be automatically rejected by the system unless accompanied by an exception approval from the Chief Financial Officer. Reimbursements are processed bi-weekly and credited separately from the regular monthly salary.

Public Holidays

Tyrell Corp observes 10 standardized paid public holidays each calendar year, during which all corporate offices will remain closed. The official holiday list includes: New Year's Day (January 1), Martin Luther King Jr. Day (Third Monday in January), Memorial Day (Last Monday in May), Independence Day (July 4), Labor Day (First Monday in September), Thanksgiving Day (Fourth Thursday in November), the Day After Thanksgiving (Black Friday), Christmas Eve (December 24), Christmas Day (December 25), and New Year's Eve (December 31). If a fixed-date holiday, such as Independence Day, falls on a Saturday, it will be observed on the preceding Friday. If it falls on a

Sunday, it will be observed on the following Monday. In addition to these 10 fixed holidays, Tyrell Corp recognizes the diverse cultural and religious needs of our workforce by providing 2 Floating Holidays per employee per calendar year. Floating holidays can be used to observe personal milestones, cultural festivals, or religious days not covered in the standard list, such as Diwali, Eid, Yom Kippur, or Lunar New Year. Floating holidays are credited on January 1st and must be consumed within the same calendar year; they cannot be carried forward or encashed. Employees must request floating holidays through the TyrellHR portal at least 7 days in advance.

Code of Conduct

The Tyrell Corp Code of Conduct outlines the baseline expectations for professional behavior, ensuring a safe, inclusive, and respectful workplace for all. Employees are expected to act with integrity, treating colleagues, clients, and vendors with utmost respect. Any form of harassment, discrimination, or bullying based on race, gender, sexual orientation, age, or religion has a zero-tolerance policy. Our dress code is "Smart Casual" from Monday to Thursday, allowing for professional yet comfortable attire. Jeans and collared shirts are acceptable, while flip-flops, torn clothing, and athletic wear are prohibited. Fridays are designated as "Casual Fridays," where more relaxed attire is permitted. Employees must adhere to the Social Media Policy, which strictly prohibits posting defamatory content about the company, its clients, or coworkers on personal platforms. While employees are encouraged to share company milestones, they must explicitly state that their views do not represent Tyrell Corp. Confidentiality is paramount; employees must sign a Non-Disclosure Agreement (NDA) upon joining. Discussing trade secrets, proprietary algorithms, unreleased product features, or client data in public spaces or with unauthorized third parties is strictly forbidden. Any breach of confidentiality, whether intentional or accidental, compromises the company's competitive advantage and will result in immediate investigation, potential legal action, and disciplinary measures up to and including termination.

Disciplinary Action Policy

Tyrell Corp is committed to a fair and transparent disciplinary process to address violations of company policies, poor performance, or misconduct. The company follows a progressive disciplinary procedure, though steps may be bypassed depending on the severity of the offense. Minor infractions, such as consistent tardiness or minor dress code violations, will result in a Verbal Warning documented in the employee's HR file. If the behavior persists within a 6-month period, a First Written Warning is issued, requiring a formal performance improvement plan. A Second Written Warning serves as a final notice. For serious offenses, such as insubordination, major policy breaches, or failure to improve after a final warning, an employee may face Suspension Without Pay for up to 5 working days while an internal investigation is conducted. Immediate Termination (Gross Misconduct) is triggered by severe actions that fundamentally break

the trust between the employee and the company. Triggers for immediate termination without prior notice include, but are not limited to: theft, embezzlement, physical violence, gross insubordination, sexual harassment, working under the influence of illegal drugs or alcohol, and severe breaches of confidentiality or data security. In cases of termination for gross misconduct, the employee forfeits any right to severance pay and notice period buyouts. All disciplinary actions are subject to an appeals process overseen by the HR Director.

Health and Insurance Benefits

Tyrell Corp prioritizes the physical and mental well-being of its workforce by offering comprehensive Health and Insurance Benefits. Every full-time employee is automatically enrolled in the company's Group Health Insurance Policy from their first day of employment. The base plan provides a comprehensive medical cover of up to \$100,000 per annum, which includes inpatient hospitalization, day-care procedures, maternity benefits (up to \$5,000), and prescription drug coverage. Employees can optionally upgrade their coverage tier during the annual open enrollment period in November. The policy extends to cover up to three immediate dependents, which can include a legal spouse and two children up to the age of 25. Employees have the option to add dependent parents at a subsidized premium deducted from their monthly salary. The insurance network includes over 5,000 partner hospitals where cashless claims are facilitated. For cashless treatments, employees must present their digital health card at the hospital desk and submit a pre-authorization form 48 hours before planned procedures. In emergencies, cashless approval can be initiated within 4 hours of admission. For non-network hospitals, employees must utilize the reimbursement claim process. Reimbursement requires the submission of all original hospital bills, discharge summaries, and a completed claim form to the insurance provider's portal within 15 days of discharge. Claims are typically processed and settled within 21 business days.
